Safeguarding Children Policy Statement

We believe that every child has the right to develop their full potential. Promoting and safeguarding the welfare of children will always take priority.

If we are worried about the safety or welfare of a child using our service, we have a legal duty and responsibility to act on our concerns. We will discuss our concerns with parents and carers in the first instance and if necessary, make a referral to Wandsworth Children's Services.

If you wish to discuss any aspect of Safeguarding Children, please speak to Rosalind Hyslop
