

Complaints Policy

Introduction

Marmalade Schools believe that parents are entitled to expect courtesy and prompt, careful attention to their individual needs and wishes. We hope that at all times you will be happy with the service provided and that you might like to voice your appreciation to the staff concerned. However, we are open to the concerns and queries which may arise and operate an open door policy. The majority of complaints are dealt with immediately by the Head Teacher and usually a resolution is reached within 24 hours.

Strategies

Stage 1

- If any parent should have cause for complaint or any queries regarding the care or early learning provided by the nursery they should in the first instance take it up with the child's keyworker or Head Teacher.
 - A complaint can be received by any member of staff.
 - The Head Teacher must be made aware of any complaint as soon as possible.
 - Any oral complaint must be summarised in writing by the person who receives it.
 - The complaint is investigated by the Head Teacher who ensures a written or oral acknowledgement is provided to the complainant within five working days of receiving a complaint.
 - If no further communication is received from the complainant within 25 working days it is assumed that the matter has been resolved.
- . If the complainant is not satisfied then we would move to stage 2

Stage 2

- If the issue remains unresolved or parents feel they have received an unsatisfactory outcome, then these concerns must be presented in writing to the nursery Principal.
- The Principal will then investigate the complaint and report back to the parent within five working days.
- This will be fully documented in the complaints record and will detail the nature of the complaint and any actions arising from it.
- Most complaints will be resolved informally at stage 1 or 2.

If the complainant is not satisfied then we would move to stage 3

Stage 3

- The Principal would ask the complainant for further information and evidence relevant to the complaint and a meeting will be called.
- A formal meeting would be held between the Principal, parent and a senior staff member to ensure that it is dealt with comprehensively.
- A record of the meeting will be made along with documented actions. All parties present at the meeting will review the accuracy of the record, sign to agree and receive a copy, which will signify the conclusion of the procedure.

If the complaint is not resolved then we would move to stage 4

Stage 4

If the matter cannot be resolved to the satisfaction of either party, then parents have the right to raise the matter with Ofsted:
